## ● Workshop order and payments

To create a workshop order to invoice the parts and service charges, you can click on the the products smart button, see image:

The screenshot shows a software interface for managing workshop orders. At the top, a navigation bar includes links for AZ Car, Cars, Stocks, Car Service, Cars In Stock, Leads, Customers, and Car Delivery. A sub-menu for 'Tasks Calendar' is open, showing a task for 'm-00-00/AZ Curacao'. The main area displays a 'Worksheet' for task 'm-00-00/AZ Curacao' with the status 'In Progress'. The worksheet details include a Project (m-00-00), Customer (AZ Curacao, Scherpenheuvel 7, Willemstad, Curaçao), and various service details like Sales Order Item (Non-billable), Under Warranty (unchecked), Vehicle (New/m-00-00), Mechanic (Monteur 1), and All Day Event (unchecked). The Planned Date is 02-01-2026 08:00:00, and Allocated Time is 01:15 (0%). On the right, a timeline shows a series of status changes for the task, with the most recent being 'Stage changed' from 'Workshop planned' to 'Ordering parts (Stage)' by Marco Comes at 8:13 AM. Below the worksheet, a list of products is being added to the order, with a red box highlighting the 'Waterspruitstuk K4M' entry.

There you can add the products and service counts, it will create a sale order for the task.

The screenshot shows a list of available parts for addition to the workshop order. The parts are categorized into 'i-Materials' and 'BUTES'. A red box highlights the 'Waterspruitstuk K4M' entry, which has a quantity of 1 selected. Other parts listed include 'Carterplug', 'Radio Frame', 'Transmissiefilter X35 / US', 'Interieurfilter X35 / X55', 'Voorremblokken X35', 'Achterremblokken X35', 'Koelwaterleiding Mercedes', 'Map sensor 1.3 TCE', 'Oliefilter', 'Brandstoffilter Renault Master', 'Luchtfilter trafic', 'Koelventilator', 'Koelventilator Sandero/Stepway', 'Slang tankontluchting Duster', 'Schokbreker Doblo benzine', 'Brandstofklep Diesel', 'Koelventilator Duster', and 'Injector 1.5 diesel'. Each part entry includes its name, ID, unit price, and quantity on hand.

The order will have the products we added. And this can be then invoiced as normal.

You will get the sales leads from the websites, social media, WhatsApp, etc.; you can add them to the odoo CRM opportunities.

The screenshot shows the Odoo CRM Pipeline view. The pipeline is divided into several stages: New, Send Documentation, Send Purchase Order, Signed purchase order, Waiting (Bank) Approval, and Won. Each stage contains a list of opportunities with their respective details, ratings (from 1 to 5 stars), and a small 'M' icon. The 'New' stage has 143k opportunities, 'Send Documentation' has 0, 'Send Purchase Order' has 61,927, 'Signed purchase order' has 0, 'Waiting (Bank) Approval' has 0, and 'Won' has 0.

In the form view, you can specify the vehicle requirements like the type, their delivery requirement, their budget, and the car model.

#### Terms & Conditions

The Seller agrees to sell, and Buyer agrees to buy the following vehicle (the "Vehicle") on the terms of this agreement: this new vehicle sale quote order confirmation is valid for 5 working days and prices are subject to change without prior notice. This Vehicle can only be reserved with a 25% down payment or a full bank approval. Seller reserves the right to cancel the sales agreement because of force majeure or circumstances beyond its control that affect the execution of this sales agreement. Seller will deliver the Vehicle to Buyer as soon as Seller has concluded all required formalities. Upon cancellation by Buyer, by any other reasons other than loan disapproval by a bank, Buyer will be liable for a cancellation fee of 10% of purchase value of the vehicle and any additional expenses made by Seller.

In case the Vehicle needs to be ordered, the purchase price is subject to price changes by the manufacturer and /or local taxes. Seller only provides an indicative arrival date of the Vehicle at the dealership which date is subject to change because of production and shipping schedules. By signing below, the customer acknowledges that the customer has read and agrees to all the terms and conditions described above.

The screenshot shows the Odoo CRM Pipeline interface. A red box highlights the 'Send Purchase Order' stage in the workflow. An arrow points from the text 'When the quotation is sent in the crm the stage is moved to send purchase order.' to this highlighted stage. The pipeline stage 'Signed purchase order' is also indicated.

When the quotation is sent in the crm the stage is moved to send purchase order.

The screenshot shows the BAIC Quotations module. A 'Validate Order' dialog is open, showing a signature 'Cristy Constancia' over the signature field. The dialog also includes fields for 'Full Name' and a 'Signature' section with 'Signature Sales Representative' and 'Signature Client' fields.

This is the View of the quotation for the Customer, here they sign the quotation.

When the quotation is signed online the crm stage will change to signed stage.

On the left side, you can find the folders.

By clicking “new” you can create folders and upload new documents.

The screenshot shows the Google Drive interface. At the top, there are tabs for 'Documents', 'Documents', and 'Configuration'. Below the tabs, there are buttons for 'New', 'Company', 'Inbox', and a 'Selected' dropdown. The 'Selected' dropdown shows '1 selected' with a 'Remove' button. There are also buttons for 'Action', 'Share', 'Download', 'Create Vendor Bill', 'Create Customer Invoice', and 'More'. The main area displays a PDF document titled 'sample-invoice (1) (1).pdf'. The PDF content includes a logo for 'CPB SOFTWARE (GERMANY) GMBH' with the address 'Im Bruch 3, 43897 Mittenberg' and phone number '+49 93171 9786'. It also shows a customer section with 'Musterkunde AG' and 'Mr. John Doe' at 'Musterstr. 23 12345 Musterstadt'. The PDF is dated 'Name: Stefan Müller' and 'Phone: +49 9371 5760'. Below the PDF, there is an 'Invoice WMACCESS Internet' section with a VAT number 'DE199378386' and a table for 'Invoice Period' and 'Date'. The table shows an amount of '130,00 €' for 'Basic Fee winView'. At the bottom, there is a table of 'Service Description', 'Amount without VAT.', 'quantity', and 'Total Amount' for various transaction fees.

After you upload the documents, you can find the actions in the top of the file and you can create the bills by clicking on it.
